

**Applied Mathematics
99r Thesis Research**

Supervised preparatory research and writing towards a senior thesis.

Term: _____ Year: _____

Student Information

Name: _____ ID #: _____

Email: _____ Class Year: _____

Faculty Member (Advisor) Supervising Reading and Research

Name: _____

How often will you meet with the student?

Signature of advisor: _____ Date: _____

Telephone: _____ Email: _____

Description of your 99r Thesis Research

Please answer the following requests, using additional pages, and attach them to this form.

[1] 99r Topic: Describe the topic you plan to investigate and model. Include a general description of the mathematical content of your project or readings.

[2] Schedule: Indicate anticipated times at which you will meet with your advisor.

[3] Advisor Statement: Attach a statement signed by your 99r advisor explaining how your grade will be determined. The project report or other deliverables on which the grade will be based must be turned in to the faculty advisor **by the final day of reading period**.

[4] Obtain approval from a member of the (A)DUS team. (This may require revising the description).

Signature of (A)DUS: _____ Date: _____

[5] AM may require regular brief updates on your project work as part of satisfying the course requirements. Sign below to acknowledge this.

Signature of student: _____ Date: _____

Drop off your signed registration form, with attachments, **by Study Card Day**, to the Office of Student Affairs, Pierce 110. In addition, submit this form (and all attachments) electronically to am-advising@seas.harvard.edu.
