

This form is needed so that SEAS can connect your general 299r enrollment in my.harvard with the specific instance of you doing a project with a particular faculty member. The AM/AP/CS/ES 299r course head named in my.harvard does not need to sign this form.

299r Special Topics Course Description

Student Name:

Research Advisor:

Email Address:

Date Submitted:

299r Course Advisor:

Term: Fall Spring Year:

Area*:

*If you are an OMPP student and/or intend to enroll in AC 299r, please contact Daniel Weinstock in OMPP

INSTRUCTIONS:

- Register for your 299r in [my.harvard](https://my.harvard.edu).
- Return the completed form to the SEAS Office of Academic Programs **by the Course Registration Deadline** each semester.
- Registration deadline dates can be found in the [FAS 10-Year Calendar](#) for each academic year.
- It is suggested that the student and course advisor meet weekly or bi-weekly to discuss progress.
- 299r courses are letter-graded.

TOPIC TO BE COVERED IN THE COURSE:

Please provide an outline of the goals of the independent ^{Text} study and the major themes. Use an additional page if necessary.

COURSE MATERIALS AND/OR DELIVERABLES:

List of texts, reading materials, and/or research articles that will be read or description of experiments or other work that will be performed. Use an additional page if necessary.
