Stop 6: Come grab a freshly baked cookie and meet the HUDS staff who will be preparing delicious breakfast, lunch, and on occasion, late night options at the SEC. Explore the new menu at the fly-by for lunch 11:00am – 2:30pm and Board Plus can also be used during all meal times. Free coffee is available in the morning until 10:30am and in the Micromart on the 3rd floor after 3pm.

Stop 7: Stop by the Office of Academic Programs (OAP) and see if you've won the SEAS backpack raffle. You might come by the OAP if you are hired as a Course Assistant (CA), travel to a diversity conference, need administrative support for a SEAS-affiliated student group, or need some general advice as a SEAS pre-concentrator.
